Please note that Tested Roster for spring 2012 assessments will take place between April 25 and May 2. These dates have been omitted from the bulleted dates above because they are not MSDS important dates, but we wanted you to be aware that district assessment coordinators will be completing that review process during that time frame. Also, the window to pre-identify students for fall testing via the BAA Secure Site (instead of Early Roster) will open in late May.
